

RCGC Local Rules

Version 1 (04/01/23)

Penalty Areas: Defined as Red Stakes/Lines. Where both stakes and lines are present, lines define the margin.

Drop Zones: Drop must be from the nearest DZ to the original ball (not closer to hole). If DZ's being equidistant to the hole, then the one closest to the original ball must be played.

Abnormal Course Conditions (including Immovable Obstructions)

- Any area bounded by a white lines or marked with a Ground Under Repair (GUR) sign and Green stakes for a No Play Zone. Rule 16.1f applies.
- For Immovable Obstructions in the general area, any seat, screen, tree guard, tube well, pump, fixed pipe, hydrant, concrete or brick structure, concrete or brick foundation / slab, marker, post, angle iron pillar, culvert, civil construction material, parked vehicle, construction or maintenance equipment, bridge or building is an immovable obstruction and Rule 16.1 applies.
- All paved roads or paths with red surkhi are obstructions and Rule 16.1 applies.

Out of Bounds (OB) is defined by the line between the course-side points at ground level of white stakes, white lines, course perimeter boundary walls, barbed wires and fence posts (immovable boundary objects). Any ball lying beyond the below defined boundary is considered to be out of bounds.

- The boundary on the 1st hole is defined by the structure of the 3rd Shamiana and extending along the fence left of the 1st fairway adjacent to the practice putting green.
- The boundary defined by white lines / stakes marking the tennis court area left of the 4th Tee is out of bounds.
- The boundary on the left of the 9th hole is defined by the course-side edge of the white lines / stakes and wall.
- The boundary defined by white lines / stakes marking the maintenance area, shed and its extensions left of the 10th fairway is out of bounds.
- The boundary defined by white lines / stakes marking the Tea Lawn area left of the 18th Green is out of bounds.
- Any area past the Shamiana (Practice range) / Driving Range marked in White is out of bounds. When a player's ball has not been found or is known or virtually certain to be out of bounds, the player has an additional option and may proceed under the Stroke and Distance Model Rule E-5 for a penalty of two strokes (see Rule 14.3). This Local Rule is not available unless a Tournament or Competition specifically allows the same or when a provisional ball has been played.

Integral part of the Course

All tracks and paths within the perimeter of the course (other than described above as an Immovable Obstruction) are an integral part of the course and the ball must be played as it lies or declared unplayable (Rule 19).

For Detailed Local Rules, kindly refer to the 'Local Rules' section on the RCGC App.
